

Requirement	Weight	Scoring	Explanation
Professors and TA's	5	0-2.5	Create the professor and TA users, who can create and grade assignments respectively. Extra credit if there's a separate professor portal from the class page.
Assignment File Submissions	5	0-2.5	Add submitting pdf's as assignments. Extra credit for rendering a preview in the previous submission field.
Syllabus	5	0-2	Add support for professor specifying syllabus (i.e. all assignments beforehand)
Class Rosters	5	0-2	Allows professors to upload the class roster in a JSON format instead of manually inputting students
Testing	5	0-2	Manual Test Plan, Test class, assignment and grade creation
